30 hour places

If you are accessing a 30 hour place, please remember to reconfirm your eligibilty every 3 months from the date you applied. You will get a text/email 4 weeks before your reconfirmation deadline. This will ask you to log into your account and it is a quick process. You do not need to bring your code into nursery again. If you miss the deadline you will need to reapply and this is a longer process.

We have some spare 30 hour places for the January term. If you think you may be eligible and you are currently accessing a 15 hour place please ask in the office for further details about how to apply.

Harvest Food Collection

We are collecting items for the Durham Foodbank. We are collecting items including powdered milk, sugar, fruit juice, pasta, tinned food, jam, biscuits, instant (kettle) meals, tea, coffee and men's toiletries.

Items can be brought into nursery from Monday 7th October until Friday 18th October.

Outdoor Clothing

We have used our voluntary school funds to buy some new outdoor waterproof coats. Thank you to those who have contributed to this (money box in the porch).
Using these spare coats at nursery allows children's own coats to remain dry (and clean!), ready for their journey home.
Please remember to return any spare socks which your child has been changed into over this past week. We are running short.

Safety

Please ensure you have hold of your child when leaving/arriving at nursery. The road is very busy and all children under 5 are unpredictable.

Lunch Time

If you want your child to have soup at lunchtime you can send it in a clearly named **flask** (we will provide the bowl and spoon)
