### A message from Mrs Magee, a Parent Governor

"Every 2-3 years Durham County Council carries out a Health and Safety visit of the nursery, and one of the roles of the Governing Body is to monitor the practices put into place by the Headteacher to support this. This year I carried out the monitoring visit in my new role as parent governor. I found it interesting and reassuring to know that robust processes are in place to ensure children attending the nursery can play, learn and grow together in a safe environment".

### Library Books

Next week we will be collecting in **all** library books.

### End of term Events

Due to increasing coach and admission costs, we have decided to use our beautiful grounds for end of term activities, rather than a "trip". Events planned include today's teddy bear's picnic, a den day and a dress up day (last day of term). Using our own grounds means we can also be more flexible and work around the unpredictable British weather!

### Sponsorship Money

Huge thanks to those who have given so generously. We have raised over £300 which will go towards buying some new blocks for our construction area.
