Ready for School Meeting

On Monday 25th March at 4pm we are holding a meeting for all parents/carers of N2 children who are starting school in September. We will provide lots of practical tips about how you can help your child in preparation for this next stage. Parents in previous years have said they have found it very useful. More details will be given nearer to the time.

Maths is fun!

This term N2 children are developing their Maths skills through sorting, ordering and counting objects. This helps them to develop the mathematical /logical part of their brain which children and adults use to understand number systems and work out mathematical problems.

Names in Shoes

Please ensure that you have put your child's name inside their shoes to avoid mix ups.

The Restorative Approach

For further information about this please see our "Respectful Relationships" policy on the policy section of our website.

Diary Dates

February

Monday 18th – Friday 22nd
February (Spring Half Term)

April

Friday 5th April
(Last day of Spring Term)

April
