### Nursery Closure for Elections

Please note that the nursery is being used for the European Elections on Thursday 23<sup>rd</sup> May, so we will have to be closed to children on that day. We apologize for any inconvenience caused.

### Nursery Fees for Wraparound

Please can you ensure that fees for wraparound care are paid in advance of your child accessing the care.

### Living Eggs

We have had great excitement watching the chicks hatch this week!

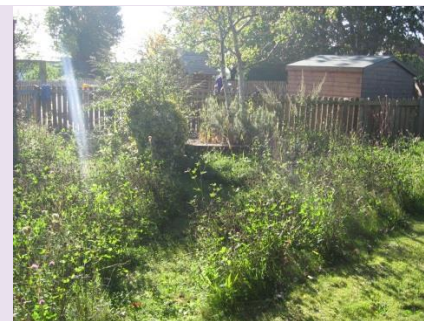

### Sunny Weather

On sunny days please apply suncream before your child comes to nursery. For those children who are with us all day (accessing a 30 hour place), we will apply our nursery sun cream at lunch time. We use Ambre Solaire Factor 50 Sensitive. Please could each 30 hour child contribute £1 (in an envelope in their book bag) towards the cost.

**Thank you to those of you who have already done this.**

We have our own sun caps which children wear outside on sunny days.
