### Welcome to our new children and families

We have had 9 new children join our nursery this week and they have settled really well!

### What are the children learning next week?

We have begun our fine motor skills programme this week which runs throughout this term. It is designed to develop children's finger strength, which is needed to develop handwriting skills. This week they have been practicing using nuts and bolts.

Hopefully this winter will continue to be mild, but in the unlikely event of a repeat of the extreme weather conditions we experienced last winter we will notify you of closure via our website. A message will be put on the front page by 8am in the unlikely event of closure. If there is no message it means we are open as usual.

Our website contains a weekly blog on the front page, which if you click on shows some photographs of the week, to keep you updated.

### School Application Time

If your child will be 5 on or between 1<sup>st</sup> September 2019 and 31<sup>st</sup> August 2020, you need to complete their school application. School Admissions recommend that this is done online at [www.durham.gov.uk/schooladmissions](http://www.durham.gov.uk/schooladmissions)

If you cannot access the council's website, please contact them on 03000 265896 and ask them to send you an application form.

**The deadline for applications is 15<sup>th</sup> January 2019**
