

# Newsletter

**11<sup>th</sup> May 2018**

## Dates

Friday 25<sup>th</sup> May - last day of half term

Monday 4<sup>th</sup> June - nursery reopens

## Group Photos

The photographer will be visiting nursery on Wednesday 16<sup>th</sup> May to take group photos. Individual photographs of the Easter starters will be taken too.

## New lunch room

Our new extension is now being used each day at lunch time for those children who are at nursery for a full day.

## What are the children learning next week?

We will be exploring our Woodland area as well as learning about capacity. We will be measuring out quantities of sand, water etc and answering questions such as "How many cupfuls does it take to fill the big jug?" Maybe they can practise this at bathtime?

## Easy Peasy

We have another six weeks left of our free trial with the Easy Peasy parent App. The games are fun, quick and free, as well as being an excellent way for you to follow up at home the skills we are developing in nursery. Don't be put off by the fact that it is an app; your child will not be playing the games on your phone/tablet. The app is merely used to show you as parent/carers how to play the game. If you haven't accessed the app for a while why not give it another go whilst we still have free access to it?

## Late Pick Up Club

For those of you who have children who will be starting Langley Moor Primary School in September, it may be of interest to you to note that from September we are opening up our Late Pick Up Club to children from Reception and Year One who attend Langley Moor Primary. A member of our staff would be able to collect your child from the school yard. Bookings are made through the nursery office. The charge for each session is £8.

## Library day

Tuesday is our library day so please try to remember to send your child's book back so that they can choose another one.
