E-Safety

1. Start when children are young to monitor how much screen time you allow them, including tv, tablets and games consoles.
2. Make sure your child can't accidentally access unsuitable material on your tablet and phone.
3. Think about what they are exposed to if they are around when you or older siblings are watching tv, online or playing console games.
4. Educate the rest of your family about point 2 and 3.

Harvest Food Collection

We are collecting items for the Durham Foodbank. We are collecting items including powdered milk, sugar, fruit juice, pasta, tinned food, jam, biscuits, instant (kettle) meals, tea, coffee and men's toiletries.

Items can be brought into nursery from Monday 7th October until Friday 18th October.

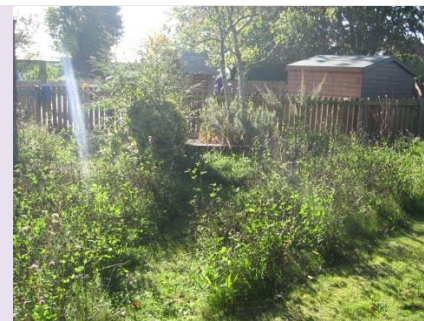

Attendance

Please let us know if your child is not able to come to nursery due to illness. Each nursery session begins with a planned group activity – and we usually wait until all the expected children are in before we start, so if you are not bringing your child, please let us know by 9am/12pm. If you prefer you can contact us by email (see top of newsletter).
