## Christmas Cards in December

This year we will do the same as we did  
last year which was:

Every child to bring in **one** Christmas  
card (home-made if you can, just ask if  
you need a piece of card) addressed to  
"all the staff and children". We will  
display these in the porch (or the  
Rainbow room for the younger  
children). This saves adults' time in  
writing/giving out dozens of cards, and  
brings more pleasure to the children.

## E- Safety

1. Start when children are young to monitor how much screen time you allow them, including tv, tablets and games consoles.
2. Make sure your child can't accidentally access unsuitable material on your tablet or phone.
3. Think about what they are exposed to if they are around when you or older siblings are watching tv, online or playing console games.
4. Educate the rest of your family about point 2 and 3.

## Harvest Food Collection

Thank you for all your  
donations. They will be very  
much appreciated.
