Nursery Closure for Elections

Please note that the nursery is being used for the European Elections on Thursday 23rd May, so we will have to be closed to children on that day. We apologize for any inconvenience caused.

National Smile Week

This week is National Smile week, and our dental health colleagues have asked me to remind you of the importance of regular dental checks for children and ensuring that their teeth are carefully cleaned morning and night. Sadly recent research has revealed that 35% of 12-year-old children are too embarrassed to smile or laugh due to tooth decay or missing teeth.
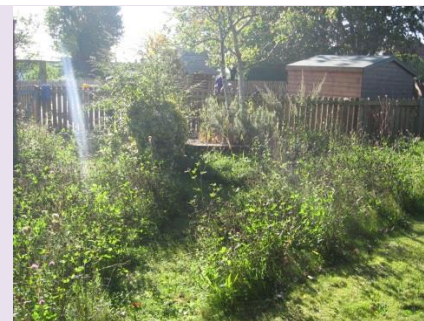

Shoe Labels

Shoes are the items that are most often mixed up at nursery, so please make sure your chid's name is clearly marked inside each shoe. Even better are the shoe labels which can be purchased on line through companies such as Woven. One pack might be all you need to see your child through school!

School Visits

Many of the transition visits to school will be taking place next term; an exciting time for the children! We have the dates for the children going to Langley Moor Primary, which start with the parents (only) meeting on Tuesday 4th June at 7pm, and the dates for Browney. If your child is missing nursery for visits to any other school we would be grateful if you could let us know the day before. Thank you.

Wraparound Sessions

If your N2 child is accessing a morning or afternoon place and you would like them to have the full day experience before they start school, additional sessions (up to 3 hours) are available to purchase for a cost of £15 per session. They will need to bring a packed lunch. Please ask in the office for availability.
