A Year of Reading

Recent research has shown, yet again, the head start that children who are read to every day are given. At nursery all of the children have at least one story per day, but if you as parents also read to them every day you are doubling the benefit! Reading stories to young children develops their vocabulary and supports their learning about people, relationships, emotions and the world around them. Having the story read to them by you, their favourite person, is much more beneficial than watching a story on TV or a tablet. Why not make it your New Year Resolution to spend at least 5 minutes every day sharing a story book with them? In support of this all N2 children will be given a free Book Start pack next week.

Recycling

We try to make use of materials that would otherwise have been thrown away in nursery. If you still have any old Christmas cards or sweet wrappers (eg Quality Street wrappers), please put them in the white recycling box in the porch.

Underwear

Please make sure that if we have changed your child's underwear and sent them home in nursery pants that the pants are returned to nursery so that we can support other children in the same way. Unfortunately, we have found that on several occasions this has not happened.

Questionnaires

Many thanks to all of you who filled in our questionnaire last week. If your child was absent on Friday and you did not receive one, there are spare copies in the porch.

Late Pick Up Club Special Event

On Tuesday 29th January we are having a bedtime stories event after nursery. The session will last one hour, for the special price of £3. Children can bring their pyjamas, dressing gowns and slippers to change into if they wish, and the evening will include lots of cosy stories and hot chocolate.

As places will fill up fast, please book via the office to avoid disappointment.
