Dates

Monday 7th May -
nursery closed for
Bank Holiday

Friday 25th May - last
day of half term

Monday 4th June -
nursery reopens

Living Eggs

On Monday we are receiving some eggs that we will keep in nursery for two weeks. As they hatch out, the children will be learning about life cycles, growth and development. It also helps them develop caring and nurturing skills. The chicks will then be rehomed in free range farms.

New Starters

Welcome to our 11 new starters. We hope they will continue to have lots of sunny days in nursery, so they can continue to enjoy playing in our garden.

What are the children learning next week?

N2 children are beginning to learn some letter sounds, starting with "s" as in snake.

N2 and N1 children will be eagerly practising their counting skills as our chicks hatch out of their shells.

N1 children

If your child is in N1 and remaining with us for another year, please ensure you have returned your slip regarding their place in September. Confirmation of places will be given out shortly.

New Nursery Website

We have launched a new website for the nursery. You will need to put a different address into your search engine

www.langleymoornursery.durham.sch.uk

Governing Body

Last month one of our governors. Mr Danny Bone retired after serving on the governing body for six years. His contribution was highly valued, particularly in his role as governor with responsibility for Health and Safety.

The governors have a significant role in the leadership of the nursery. Our current non-staff governors are:

Mrs Julia Millard (Chair)
Mr Stuart Woods (Vice Chair)
Mrs Emma Jackson- Reeve (Parent Governor)
Mrs Sarah Ward (Parent Governor)
Mrs Jane Manning
Mr Alan Williamson
