

# Newsletter

**21st September 2018**

## Dates

Friday 19th October -  
last day of half term

Nursery reopens  
**Tuesday 30<sup>th</sup> October**

## Money for snacks

Thank you to those parents who are remembering to bring the money for snacks. The charge is £1 per week for those children who stay for half of the day, and £2 per week for those children who stay for the full day. The money box and tick off sheet are in the entrance. Some parents/carers prefer to pay for a whole half term at a time- just tick off the sheet accordingly.

## Parent Governor Vacancies

We have two vacancies on our nursery governing body. If you are interested, please call into the office for a nomination form and further information or see Mrs Simon.

Interest in the school, enthusiasm and confidentiality are essential and full training is available. You will be expected to attend at least one meeting each term, usually lasting two hours, starting at 4pm, and visit school occasionally during the school day.

## Singing Time for 2 year olds

Next Friday (28<sup>th</sup> September) we would like to invite you to come earlier at collection time (11.15 for the morning session and 2:50pm for the afternoon session.) The children have been learning some rhymes, and we would like them to have a little "song time" with you.

## Apple Day

Next Wednesday we are learning about apples. Please could your child bring one apple to nursery. At group time we will be looking at them and talking about the different shapes, sizes and colours. We will be learning about apple seeds and trees. Lastly we will be eating them!

## Tips for Saying Goodbye

It is very common for children up to the age of 5 to find separating for you difficult - even when they enjoy nursery. The following tips may help to make that goodbye easier:

1. Create a goodbye ritual, such as a high five, or a special place to wave.
2. Stick to a routine each morning/afternoon
3. Send positive signals - look happy and confident as you leave - your child will take a lead from you
4. If you think your child may be upset, you can leave a comfort blanket/toy for them
