30 hour places

If your child is
accessing a 30 hour
place please
remember to
reconfirm your
eligibility every 3
months from the
date you applied. You
will get a text/email
4 weeks before your
reconfirmation
deadline. This will ask
you to log into your
account and it is a
quick process. You do
not need to bring
your code into
nursery again. If you
miss the deadline you
will need to reapply
and this will be a
longer process.

Sit, Chop, Chew!

On Wednesday the nursery was
visited by Laura from Mini First
Aid who taught the N2 children
about the importance of sitting
down to eat food, how we cut it
up and why we need to chew it.

Laura also runs classes for
parents, grandparents and
carers covering choking, CPR,
bleeding, bumps, breaks and
burns, febrile conversations
and meningitis awareness.

Harvest Food Collection

We are collecting items for the
Durham Foodbank. The foodbank helps
over 1,200 people a month who find
themselves in food crisis.

We are collecting powdered milk,
sugar, fruit juice, pasta sauces,
cereals, rice, pasta, rice pudding, tea
bags, coffee, tinned meat, fish, fruit
,veg, jam, biscuits and snack bars.

Items can be brought into nursery
from Monday 8th October until Friday
12th October.

Catch it, Bin it, Kill it!

Next week we are reinforcing
with all the children how to
blow their nose on a tissue and
then put the tissue into a bin.
Any support you can give with
this at home will certainly help.
This may minimise the number
of cold germs we have going
around nursery this autumn.

The Cry

Many of you will have watched the
new programme on Sunday night
called the Cry, and without wishing
to spoil it if you haven't watched it
yet, it serves as a timely reminder
about not leaving young children,
and especially babies in the car on
their own, even if they are asleep -
tempting as it is sometimes.
