### Ready for School Meeting

There will be a meeting for parents of N2 children (those children who will be starting school in September) on **Monday 23<sup>rd</sup> March 4-5pm**. The session is for parents/carers only – not children.

### Easter Pictures Hunt

Parents/carers are invited to help their children find the hidden chick pictures in the nursery garden on **Wednesday 1<sup>st</sup> April**. Our garden will be open from **11.15am** for parents of morning children, **2.30pm** for the parents of all day children, and **2:45pm** for the parents of afternoon children. In the event of heavy rain the event will have to be cancelled

### Covid 19

We are being extra vigilant in supporting the children in washing their hands. You could support your child through using this NHS handwashing song.

<https://www.youtube.com/watch?v=S9VjeIWLnEg>

Public Health England recommends that in addition to handwashing before eating, and after coughing and sneezing, everyone should also wash hands after using toilets and travelling on public transport.

We are being advised daily by the Government Education and Health departments. We will continue to keep parents informed through the website if any decisions are made regarding closures or notifications of confirmed cases of the virus within the nursery community.

As the virus is becoming more prevalent please do not send your child if they have, or have recently recovered from

A fever/high temperature

Difficulty breathing

A cough
